Park Planning Advisory Group meeting

Last month, the Timberville Town Council decided to create the Park Planning Advisory Group, a group of community members who would actively participate in the process of improving the town's park system.

The group had their first meeting on Saturday, May 11th. The meeting began with Mayor Delaughter giving a quick introduction and briefing of the process for planning and improving the parks. Town Manager Austin Garber followed with a quick history of the two parks.

PARK PLANNING ADVISORY GROUP MEETING CONTINUED...

After the introductions, the group divided into three smaller groups to discuss their likes and dislikes of the parks, followed by a discussion of wants, needs, or improvements for the parks.

The group's detailed notes can be found on the town's website on the Get Involved Page under the Community Directory tab.

Thank you to Farmers and Merchants Bank for sponsoring the meeting.

The next meeting is June 15th from 9 am to 11 am. If you are interested in participating in the next meeting, please contact the town manager at townmanager@townoftimberville.com or call the town office at 896-7058.

JOIN THE PARK PLANNING ADVISORY GROUP

What do you want in our parks?

In order to provide residents and visitors with recreational opportunities, the Timberville Town Council has committed, both financially and ideologically, to making improvements to the town's park system.

To ensure the success of this endeavor, the town council desires to establish a park planning advisory group to actively participate in the process.

The next meeting is on **Saturday, June 15th** from 9 am to 11 am to continue brainstorming on the direction of the parks.

If you have an interest in being part of the advisory group, are a positive thinker and willing to commit to the time requirements please contact the town manager at townmanager@townoftimberville.com or call the town office at 540-896-7058.

TIMBERVILLE BUSINESS SPOTLIGHT

This month, we interviewed two local business owners. Information about local businesses can be found under the community directory on our website.

Mark's Taxidermy

Mark started his taxidermy business 22 years ago.

What inspired Mark to start his business?
He said he has always had an interest in wildlife and hunting, and his interest in taxidermy started when he was in high school. Slowly, his hobby transitioned into a full-time business.

Mark has mounted a range of animals from mountain lions and coyotes to bears. The most interesting animal he has mounted was a porcupine.

The best ways to contact Mark is to give him a call, send him a text, or send him a message through his Facebook page Mark's Taxidermy.

Carriage House Roasters

Meet Natalie, the owner of Carriage House Roasters and a councilwoman for the town. After having lived in Ethiopia, she wanted coffee that was like the ones over there, so she decided to make her own coffee and started the business in March of last year

Fun fact! She named the business after the carriage house on her property.

Carriage House Roasters is mainly an online business, but you can try their coffee at the Broadway Farmers Market. She also has her products at Fulk's Run Grocery, Friendly City Food Co-Op, Valley Pike Farm Market, and Showalters.

If you would like to try some of her coffee, visit her website carriagehouseroasters.com or stop by the Broadway Farmers Market!

National Police Week

May 12 - May 18

For National Police Week, we honored those who made the ultimate sacrifice in the line of duty and recognized our Police Department for their hard work and dedication in keeping Timberville safe.

Our maintenance department created a sign that thanked our police department for police week.

Shannon and Hannah dropped off food and drinks for our police officers.

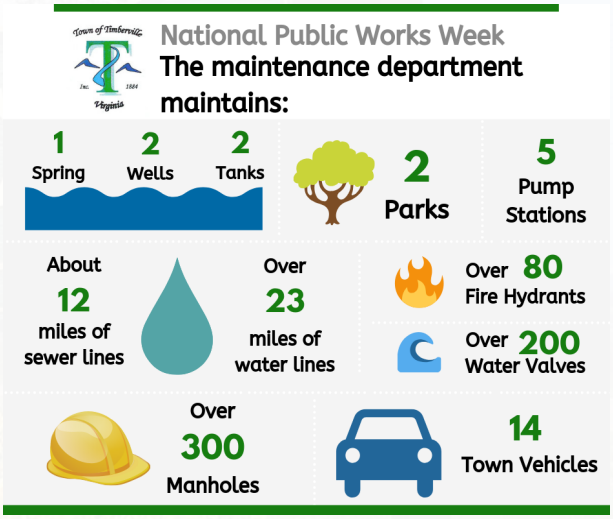
May 15 was Peace Officers Memorial Day. The flag flew at half-staff in remembrance of the officers who lost their lives or became disabled in the line of duty.

The Town participated in Paint the Valley Blue's goal of recognizing and supporting law enforcement in the Valley by placing the Paint the Valley Blue signs through town.

National Public Works Week

May 19 - May 25

There are six employees who work in our maintenance department. Their job description includes a variety of tasks, including repairing and installing waterlines and pushing snow during snowstorms. The Town would like to thank them for all the hard work they do to keep Timberville running smoothly 24/7.



The City of Northglenn, Colorado took our photo of the love letters and added the "We love Public Works! #NPWW" for their Facebook post.

Our maintenance crew also maintains the town's LOVE letters and changes the banners through town. They also constructed the Christmas tree for the Christmas Village and hung the wreaths during the holiday season.

The flag was designed by the Town's Maintenance Crew.

PLAINS DISTRICT MEMORIAL MUSEUM

NEW EXHIBIT COMING TO MUSEUM

"Orchards in Plains District, the Early Years"

In the 1940's Plains District was recognized as the leading producer of fruit in Rockingham County and Timberville was the leading apple distribution center in the County.

The new exhibit features a map identifying early orchard growers and their locations in Plains District, the history of the Mutual Cold Storage, Howard S. Zigler and the Zigler Cannery, the Apple Brandy Co., an original still and cider press as well as pictures, headlines and artifacts of the industry.

The exhibit will be on display beginning in June until October 2019.
