

**MINUTES OF THE TIMBERVILLE TOWN COUNCIL MEETING**

**September 18<sup>th</sup>, 2019**

A special meeting of the Timberville Town Council was held Wednesday, September 18<sup>th</sup>, 2019 at 6:00 p.m. in the Town's council chambers with Mayor Donald Delaughter presiding.

**MEMBERS:** Carl Turner-Present Juanita Price-Present  
Ned Overton-Present Natalie Sherlock-Present

**PRESENT:** Austin Garber, Town Manager

**CALL TO ORDER:** Mayor Donald Delaughter called the special meeting to order at 6:05 p.m.

**RT. 800 (MCCAULEY DRIVE SIDEWALK PROJECT):** Mayor Delaughter and Austin explained the estimated project cost (attached) and the timeframe for allocation of funds. If the town's project is awarded funding construction must be completed within 4 years. Since VDOT has the project broken down into phases the town's percent match for each phase wouldn't be required until such phase begins. Depending on how rapidly VDOT would move this project along the town's funding match could be spread across multiple fiscal years. Council was presented with a map (attached) indicating the location of the proposed sidewalk and a crosswalk at the intersection of Rt. 42 (S. Main St.) and Rt. 800 (McCauley Drive) that is also included in the project.

**MOTION:** Ned Overton made a motion to support the project and send it to a public hearing for comment. Natalie Sherlock seconded the motion. No further discussion the motion carried with Ned Overton, Natalie Sherlock and Juanita Price voting in favor and Carl Turner opposed.

Council discussed the best time for a public hearing and decided on Tuesday, September 24, 2019 at 6:00 p.m.

**ADJOURNMENT:** No further business, the meeting adjourned.

**RESPECTFULLY SUBMITTED,**
